To All Parents:

We are holding our 2024 Youth Turkey Hunt this year. But we want to give you a heads up. Turkey hunting ammunition is in short supply so you may want to start now looking for it as soon as possible. Get either # 4 or # 5 (preferably) and/or # 6 shot for the caliber of gun they will be using on the hunt. We will do our best to provide ammo for any child that is unable to acquire the required ammo for the hunt. If you or your child would like to wear a mask during their participation, please send a mask for your child as we will not have any to provide.

Completed applications should be returned by April 1st to:
